

# Hannah More Primary School Newsletter

27th May 2016

Hello everyone

It has been a fantastic final week of term. Sports Days went well and were exciting (and the sun was shining!). Well done to everyone who competed and thank you to all those parents who came along to help and to support.

Children looked really smart in their house colours as well! Special thanks to Mr Cook and Miss Stevens for organising the whole event.

Another highlight of the week was the super performance by Year 1 - 'Eddie and the Penguins'. I was so impressed by the confidence the children showed on stage as well as their clear speaking and tuneful singing. Well done to all of Year 1 - and to the staff as well.

Congratulations to Miss Khaliq, who will be getting married over the holiday. Next term she will have a new surname - Mrs Irfan.

Holiday club will be running from Tuesday to Friday next week. There are still a few spaces left if you want to book your child in. The school office will be closed next week, so for any holiday club queries please call their mobile number: 07910 161164

Have a lovely holiday, I look forward to seeing you on Monday 6th June!  
Sue Ramsay,  
Headteacher.

**Term ends today, Term 6 starts on Monday 6 June**

**School is closed on Thursday 23 June for the Referendum**

## This week's SUPERKIDS!

Reception: Yoonis and Maryan

Year 1: Anas and Alyssia

Next term...

## First Aid

A 3-hour course for parents.

June 27 (all welcome)

July 4th 9.30-12.30 (dads'  
course)

## This week's learning...

**Reception classes ...** This week we used a story mountain to invent our stories. We thought about stories that have a problem and a resolution, and the children came up with very imaginative ideas. In Maths we used shapes and patterns to solve problems. **You can help at home by practising counting up and back to 20 in 1, 2, 5 and 10.**

**Year 1 ...** Year 1 performed their play of 'Eddie and the Penguins' and we are so proud of the children! They performed brilliantly. The children worked really hard this term and we hope they have a great half term! **At home please practise the spellings given previously as homework.**

**Year 2...** This week we learned how to use estimation in Maths to check our calculations. In Literacy we wrote our own warning stories. **We also enjoyed sports day! Please read with your child every day over the holidays.**

**Year 3 ...** We have had a very exciting week this week! We learned about magnets and created our own magnetic games! We enjoyed taking part in sports day and supporting our houses. In Literacy we invented our own adventure stories with great success! **At home, please talk to your child about local history and visit the places suggested on the homework sheet!**

**Year 4 ...** We started the week with a fantastic trip! We explored the River Avon by Ferry and then designed and made boats at Engine Shed! During Literacy we finished our Hot Write and created our own mini books! We used amazing story bags made by ACTA. In Topic we loved painting our boats that we made on our trip! We are going to be entering them into the competition at the Harbour Festival on Saturday 16th July if you want to come along! **Please talk to your child about our trip. Please read with your child over the holidays. They can also use Bugclub!**

**Year 5...** This week we learnt about comic strips in Literacy. We created our own comic strip based on a Hindu story we learnt. We also learnt about Hinduism during our RE lessons. We really enjoyed competing in sports day. Our Year 5 teachers are very proud! **Please ask your child about the features of a comic strip.**

**Year 6 ...** This week we practised a range of skills in Maths. In Literacy we wrote recipes for our favourite meals. We also competed in Sports Day, demonstrating our improved health and fitness! **You can help at home by encouraging your children to continue the momentum of Sports Day and exercise during the holidays.**
