

Tuesday 7th July – English

Today you are going to do some descriptive writing.

Describe in your own words what is happening in this picture. If you want to be creative, you can make up your own version of what happens rather than use the story.

This is descriptive writing so you need to remember to:

- Use lots of adjectives
- Use adverbs to describe the verbs
- Describe the details

★ Use similes and alliteration

★ Challenge

Imagine there is a storm. Describe the same picture but imagine it is windy and rainy. The sky is dark and the waves are crashing around.

What would be the same in your description and what would be different?
