

Hannah More Primary School

At-Bristol Family Project – Autumn 2017

At-Bristol science centre is offering us more free family visits! These are for parents with a child in Reception. The aim is for parents and children to gain confidence, try some science and enjoy a great day out. After the day, you can get free membership for your family, for a year.

This opportunity is for parents who can attend with their Reception child. We ask parents to make other arrangements for any pre-school children as there is no crèche available on the trip day. You need to come on both these days:

Wednesday 8th November 9.00-10.30.	<ul style="list-style-type: none"> • At school • Parents only • Registration and taster session • All your questions will be answered!
Wednesday 15th November 9.15-3.00.	<ul style="list-style-type: none"> • Day trip for parents with their Reception child • Travelling by ferryboat • Lunch is provided! • No pre-schoolers please

You will need to sign up and pay a £5 deposit – this will be returned to you on the trip day! Thank you, Ruth Cochrane. 07940 323735.

Pictures from a previous visit!
