

Hannah More Primary School Newsletter

21 July 2023

Hello everyone,

I can't believe that it is the end of the year. I have really enjoyed my first year at Hannah More. My job has been made easier by the fantastic team around me. The staff at Hannah More work incredibly hard to give your children every opportunity at school. This morning we had our leavers assembly and every member of staff that is leaving has loved being part of the Hannah More community.

I want to personally thank all of the staff for their hard work. They always have the best interests of the children at heart and the relationships that they have with the children enable children to feel safe and therefore achieve.

On the subject of achievement, I have mentioned in both the assemblies this week how proud we are of the year 6 children. The teachers have done a fantastic job this year and the Year 6 results are testament to this.

| Year 6 results: | | |
|-----------------|----------|---------------|
| | Expected | Greater Depth |
| Reading | 76% | 24% |
| Writing | 61% | 5% |
| Maths | 67% | 24% |

| Year 2 results for children who started in Year 2 this year: | |
|--|----------|
| | Expected |
| Reading | 65% |
| Writing | 71% |
| Maths | 55% |

Year 4 did very well in the multiplication check. 21 of the 27 children got more than 20 out of 25. 34% of the class got full marks. The national average is 27%!

The Year 1 children did well in their phonics with 78% of children passing the test. Children retake the test in Year 2. This year 75% of the year 2s passed second time round. Well done!

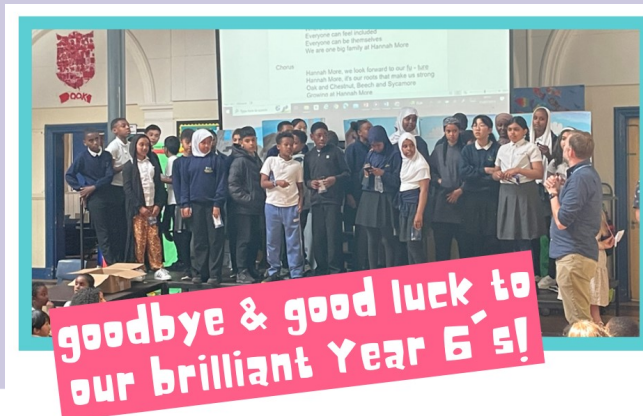

The staff have worked hard to get these results, especially when you consider that several of these children have missed large chunks of school during Covid.

We received some sad news this morning. Mowahib, a girl who left Hannah More in 2021 has sadly passed away. She had a heart condition which sadly took her yesterday. I know that many people in our Hannah More community will know the family. Our thoughts are with the family. This only serves to remind us how precious life is and how much it should be cherished and enjoyed.

Lastly, can I thank the Hannah More community for supporting me through my first year here. I will always try and do my best for the children. I won't always get things right and I know that I will make mistakes along the way. I will always give my all and I will always listen. The important thing for me is that we all work together.

Enjoy your summer.

Mr Hawkins

CLASS NEWS

LAVENDER

We had a really chilled and enjoyable last week in Lavender. The children enjoyed a cinema morning, complete with popcorn and comfy 'cinema-style seating. They spent time playing together and talking about the summer holidays. At home, spend time with your child talking about what they're looking forward to in September. Remember to keep reading to/with them!

YEAR 1

This week we sung Lovely Day by Bill Withers in the Hannah More's Got Talent show! Some of the children danced, whilst others did gymnastics to the music. The children were brilliant! We also continued reading and practising our phonics. Thank you for being such an awesome class and making Mrs Wilkinson smile every day! During the holidays, keep a diary! Ask your child to write one of two sentences a day about what they have done in the holidays. Have a rest!! The children have worked very hard this year. Well done everybody!

YEAR 2

We had a busy week in Year 2. We enjoyed writing letters to our new teacher and reflected on our time in Year 2. At home, please learn all the times table facts for the 2, 3, 5 and 10 times table out of order. Keep remembering to tell the time. Encourage reading every day for 15 minutes on their own or out loud.

YEAR 3

In this final week of term, Year 3 finished their enquiry 'How do plants die?' and continued our study on Oceania by reading and retelling a story about a koala. We really enjoyed Hannah More's Got Talent and Water Splash Day! We said some sad goodbyes to pupils and staff but will keep in touch. Can you learn all your times tables over the holidays? Keep a holiday journal to bring back in September to show everyone what you did! Can you read 10 books on Bug Club or visit a library?

YEAR 4

It has been a pretty chill week to end a busy, busy year in Swift class. This week we made vegetable spring rolls, took part in Hannah More's Got Talent and won prizes in the very first Swift Awards! It has been such a pleasure teaching Swift this year, and both Laura and I can't wait to do it again next year! Make sure you have a fun, relaxing summer!

YEAR 5

It has been an action-packed final week in Year 5. As mathematicians the children investigated volume by building with linking cubes. As artists, they made beautiful Inca-inspired foil designs and learnt a new technique called tooling. They enjoyed many end of term delights such as Hannah More's Got Talent and Splash Day! At home, keep encouraging your child to read.

YEAR 6

This week, Year 6 worked hard to finalise and perform their end of year extravaganza - The Adventures of Odysseus. They also enjoyed many end of term delights such as Hannah More's Got Talent and Splash Day. At home, keep encouraging your child to read at home.

FREE TRIP TO SS GREAT BRITAIN MONDAY 7TH AUGUST

Join us for a special trip to the SS Great Britain and share a fun activity with children.

Who is the trip for?

This trip is for families who have not visited the SS Great Britain before.

We have space for 35 people. All children must be accompanied by an adult—maximum 3 children with one adult please!

How do I sign up?

E-mail Iwona iwonas@ssgreatbritain.org to book your places

What is the plan for the day?

A bus will pick us up from school at 10.30 and take us to SS Great Britain.

We'll explore the ship and do some fun activities together, thinking about the journeys that passengers made and thinking about journeys we have been on.

The bus leaves to come back to school at 2.30.

A free Halal lunch is provided.

You are responsible for your children on this trip.

Cultural Confidence at Hannah More

At Hannah More, we aim to offer children wide and varied learning experiences. This includes trips, visits, clubs, camps, art, music, community and holiday opportunities, celebrating culture - and much more. Sometimes this is part of the lessons and sometimes this is outside of the school day. We aim to build children's knowledge, social skills and cultural confidence beyond reading, writing and maths. We believe this helps them to succeed in the wider world. It is sometimes called 'cultural capital'.

We would like parents to help us plan some next steps by giving us honest opinions about what we do well and what we could do better. You can score each question from 1 (school does NOT do this well) to 5 (school does this VERY well).
