

Hello everyone

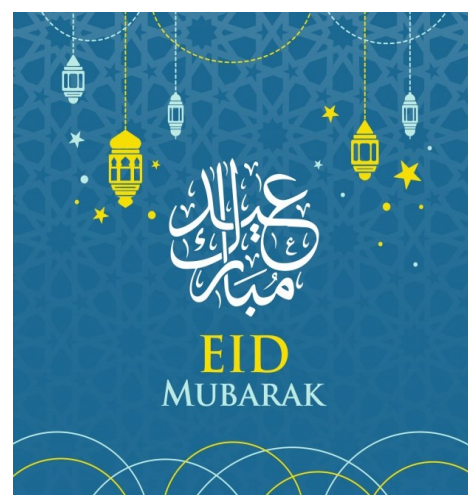

I hope you will have seen my video message about school opening part-time from 1st June. This is an option for children in Reception, Year 1 and Year 6. As I explained in the video, if you decide your child should not return to school yet, that is fine - we will respect your decision. For those children who do come back to school, we will follow all the guidelines I have outlined in that message. Teachers have been working hard to make sure classrooms are as safe and hygienic as possible, whilst continuing to keep in touch with you all and set home learning.

For year groups not returning yet, teachers will continue to make work available on the website. Well done to everyone who has taken on the challenge of home learning so positively.

Ruth and Miss Campbell will continue to organise food boxes, but from June 3rd the collection day will change to Wednesday for both food boxes and art activities. There will also be some gardening kits available - more details are in this newsletter.

For all of you who are celebrating Eid this weekend, we wish you Eid Mubarak and hope you are able to speak to family and friends despite the current restrictions.

Stay safe, best wishes,  
Sue Ramsay, Headteacher.
