

Hannah More Newslet- 8th February 2019

Hello everyone

We ended the week with a fantastic food festival, to celebrate Hannah More's birthday. There was delicious food from around the world, including Sudan, Somalia, Yemen, the UK, Poland, Finland, Sri Lanka, Morocco - even Australia! Thank you very much to everyone who cooked - and helped - and especially those who struggled through the horrible weather. I also know that some people had made food last week, when we had to close school because of the snow.

Friday was also a special day because Old Vic theatre students performed their 'Ruff Guide to Shakespeare' for some key stage 2 children. This was a wonderful performance - please ask your children to tell you all about it. There are pictures of this - and of other school news on twitter <https://twitter.com/HannahMorePri>.

There are important dates inside this newsletter as well as information about Year 4's performance next week.

Everyone is welcome to come and watch this and some parents will also be serving refreshments and talking about the new PTA group.

Best wishes,

Sue Ramsay, Head teacher.

Do you know the laws about child car seats and seat belts?

UK law dictates that a child **MUST** use a child car seat until they are **12-years-old** or **135cm tall**, whichever comes first.

ALL CHILDREN
MUST WEAR
A SEAT BELT!

What's Been Happening...

Thank you to our VIP guests who came to hear some of our developing readers read aloud from their favourite books. Staff from Burges Salmon, Local PCSO Aimee Pickles, Julien and Diana from IBIS, Margaret Hickman and Hibaq Jama from Bristol City Council all visited on Wednesday. We had a great afternoon together and the children read with confidence and enjoyment. They made us very proud.

Four lucky children had the fantastic opportunity of meeting Prince Harry and Megan at Bristol Boxing Gym. The Royals heard how the 'Empire Fighting Chance' programme is helping children with discipline, self control and respect, as well as improving physical fitness and mental health.

We hope you all had as much fun in the snow as Tate and Faith did when the school had to shut last Friday.

Our parents 'Bridging Gaps' Cultural Awareness group ran a training session on board a Bristol Ferry this week. Thank you so much to everyone who came - from SS Great Britain, We the Curious and local school staff. Everyone enjoyed the session and we are looking forward to our next training event, with Governors from Cabot Learning Federation.
