

Hannah More Primary School Newsletter

4 September 2020

Hello everyone

Welcome back! We have been delighted to see so many happy faces back in school this week. Children have settled well in their new classes and we have enjoyed getting to know some new faces - teachers as well as children!. We are focusing on recreating our school community – with shared expectations and clear goals. Older classes will be making links with younger classes in a distanced way to build wider connections.

Thank you for following our guidelines at the beginning and end of the day; this is helping to keep us all safe in school. Please remember to maintain social distance when you are waiting, before the gate is open. Also a reminder that all children are welcome at breakfast club - you need to arrive before 8.25.

We are beginning to plan some trips and visits and we will send home letters to you in due course. The first year group planning a trip are year 6. We ask all parents for a contribution of £10 per child; this covers the cost of all trips and visitors for the school year. I know this is a difficult time financially for many families, but we do keep these cost very low at Hannah More, so please support us by making this one - off contribution.

This afternoon I had six mini superkid teas - one with each year group - so as to maintain our 'bubbles'. It was lovely to hear from children about their positive start to the school year and to share their excitement about new learning challenges.

Have a peaceful weekend and see you on Monday.

Best wishes

Sue Ramsay, Headteacher.

MESSAGES

We are currently advertising for a Play Leader for More 4 Kids. You must have level 3 playwork, or an equivalent qualification. More information about the post and how to apply are on the website: www.hannahmore.org.uk/our-community/working-at-hannah-more

Inhalers and medication!

Please make sure you bring in a new inhaler (or any other medication) for your child, if they need one.

Thank you.

School uniform

We are waiting for a new order to arrive as we have run out of some sizes. This should be with us in 2 weeks, we will send a text out to let you know.

WELCOME BACK!

What we will do if your child is unwell
Information for parents

If we are worried that a child may have Coronavirus (for example if they have a cough, or a temperature) we will:

- Take the child to a separate space, away from other people
- Ask the child - and the adult who is looking after them - to put on a face mask
- Phone parents straight away
- Stay safely with the child until a parent or carer collects them

When you collect your child and your other children you will be asked to get everyone tested for Coronavirus. We have test kits in school, or you can go to a test centre - the nearest is at Netham Park. Your family must self-isolate until you get the test result. If the test is positive you will then need to self-isolate for 14 days. If you have any concerns you can speak to the school office.
