

Hello everyone

It has been wonderful to see some children back in school this week. It has made the staff very happy to see smiling faces in classrooms! Many of you have, however, chosen to keep your children at home and that is fine too.

We are making some changes to the system we have created now that we have an idea of how many people are coming.

Reception Caterpillar children (Groups A and B) will come to school on Monday and Tuesday.

Reception Ladybird children (Groups A and B) will come on Thursday and Friday.

Year 1 children (group A and B) will be able to come on Monday, Tuesday, Thursday and Friday—this group will be based in Gruffalo class.

There will be no change of days for Year 6 children, but the B group that come on Thursday and Friday will work as one class.

There will continue to be provision 5 days a week for children of key workers and other identified children. There is no change to this.

Lavender children will continue to attend on 5 days between 9.15am and 12.

We hope that those learning at home are keeping up the good work as well. Teachers will continue to provide this for all Year groups.

Stay safe, best wishes,  
Sue Ramsay, Headteacher.

# HOME LEARNING

This week we have seen some great learning at school including lots of work taking place outdoors. And those children who are at home have continued to impress us with their home-learning. Keep it up everyone!

Mr bear couldn't sleep because he was too hungry.  
Mr bear went down stairs to look for food in the fridge but there was no food in the fridge.  
Mr bear checked in the garden for food. Mr bear exclaimed ohhhhh there is no food. then he tried the bin but no leftovers.  
finally some food in the cabinet Mr bear was so happy.
