

Hannah More Primary School Newsletter

8 December 2023

Hello everyone,

It has been another fun packed week of learning here at Hannah More. I was proud to take some of school parliament to Trinity Arts Centre yesterday to have photos taken with Metro Mayor, Dan Norris, to launch a new project to ensure that all school children get access to cultural experiences. The children represented Hannah More really well and enjoyed the table tennis that staff had laid on for them to play!

I was slightly nervous to have a Kestrel sitting on my arm on Wednesday. Tom, our eco warrior, who built our wild meadow, brought his Kestrel in and the Year 4 children used the outdoor classroom for a lesson on the majestic bird. Apparently, it is actually his twelve-year old son's bird and it sleeps at the end of his bed at night. Tom has a Falcon himself. It is unknown whether that sleeps at the end of his bed!

I was very pleased to see how many families signed up to have appointments for their children at the new dental school. Kuldip – the dental services manager – has left some forms in Reception. If you didn't get a chance to sign up and your child hasn't seen a dentist, collect a form and drop it back to Emily or Katie in the office. Kuldip will collect the forms next week. Incidentally, her children are former Hannah More pupils.

This term has been challenging at times as we have had a lot of staff absence. Two of our teachers have been off for most of the term. I want to take this opportunity to thank all of the staff for pulling together and working hard to keep things running as normal. Working in a school is much more than just a job and I hope everybody knows how hard all of the staff work to ensure that children get the best experiences. I feel lucky to have such a great team.

Enjoy the weekend and time with family and friends.

Mr Hawkins

LAST DAY OF TERM: FRIDAY 15 DECEMBER 2023

BACK TO SCHOOL: WEDNESDAY 3 JANUARY 2024

Christmas Parties
classes will be having their Christmas parties on Friday 15 December. If you are able to contribute food, please drop off at the office on Friday morning.

WINTER HOLIDAY SPORTS DAYS

Thank you to those who have submitted forms. We have sent texts to confirm if your child has a space. If you are unable to attend your days, please email Sarah sarah.franke@bristol-schools.uk to let her know. Thank you.

PTA WINTER DISCO

Huge thank you to everyone who came to the Winter Disco! It was a fantastic event!

We apologise to everyone who might have picked up on any bad language from the DJ. We have spoken to the DJ about this, and will not be using him again in future.

We apologise again.

Hannah More PTA

SUPERKIDS!

Year 1: Pandora-Rose

Year 2: Muhamad M

Year 3: Femi

Year 4: Aymen and Munir

Year 5: Mohamed M

Year 6: Eba and Nazmin

CLASS NEWS

YEAR 1

As mathematicians, we learnt to name and sort 3D shapes using words 'faces', 'vertices' and 'edges'. As artists, we learnt about Henri Matisse and expressing our opinion about his work. We also learnt the poem 'The sound collector'. You can help your child practise saying and writing their tricky words.

Year 2

This week Year 2 wrote an explanation text about the playground equipment they designed themselves. In maths, we looked at 2D shapes. WE visited a local church and asked the priest questions to find out all about what happens there. Please read with your child 5 times a week. Practise number bonds to 10 - ask your child to teach you the 10s game! Practise counting in 2s, 3s and 5s.

YEAR 3

This week Year 3 learnt about non-chronological reports, we researched about how earthquakes and volcanoes happen, whilst using what we learnt already from our enquiry lessons. We learnt about the features and we also started our big writes on it! In maths, we looked at our 2, 4 and 8 times tables. Please read with your child 3 times a week at home. Please make sure your child does the homework sheet.

Year 4

This week, Year 4 wrote their own adapted versions of 'Fantastic Mr Fox'. They enjoyed developing their own characters, settings and plots. As mathematicians, they multiplied three numbers efficiently and found factor pairs. As scientists, they designed their own classification keys to distinguish between the characteristics of animals. Please read with your child at least 3 times a week. See how many factors you can find for numbers between 50-100.

YEAR 5

Our performance practice has stepped up a gear as we get ready to perform to you all next week. Outside of this, we used partitioning and short division to divide three-digit numbers. As authors, we wrote emergency diary entries in role as professionals in an occupation of our choice. At home, please ask your child to show off their new skills as mathematicians and authors.

Year 6

This week we learnt about new punctuation types - dashes, colons and semi-colons. As mathematicians we worked really hard to add and subtract mixed number fractions. At home please read with your child at least 3 times a week.

FESTIVE LUNCH & non-uniform DAY

Wednesday 13 December

children can come to school in non-uniform,
and wear a festive-themed jumper if they wish!
Children can order their lunch on the day.
