

Winter Missing Numbers

Counting in 10s

A large, winding path made of gingerbread with various numbers and blank spaces for a counting exercise. The path starts at the bottom left with the number 10 and winds upwards and to the right, ending at the top right. The numbers are: 10, 20, 30, 40, 50, 60, 70, 80, 90, 100. There are 15 blank spaces for missing numbers.
