Friday

17th

17th July

These worksheets are for the next two weeks, until the end of term. There are lots of worksheets in this pack so you can use some during the holidays to help your child practise their phonics skills.

Your child should try to complete one sheet a day.

Make sure your child is practising their sounds every day, verbally and by writing them down. You can use the sound mats from the other Phonics workbooks to practise sounds.

You can watch the phonics videos on the Lavender Class Blog page. Youtube also have some fun phonics videos with catchy songs!

Look at the pictures. Use your sounds to write the words for each picture.
