## After School Club

### More 4 Kids update - September 2020

We are delighted to be able to reopen More 4 Kids every day from Wednesday 2nd September. We have made some changes to ensure that children are as safe as possible. The main changes are:

- More 4 Kids staff will meet children in the main hall after school. Younger children will be collected from their classes as usual, older children will be instructed to come to the main hall by their teachers.
- We will use the sports hall as a base if we need more space.
- We will use the outdoor space as much as possible. We know that children love riding bikes at M4K but due to current restrictions, we cannot let children share bikes. School bikes will be used on a rota system. Children may bring their own bikes but should not share them with others. Please note, helmets are compulsory when children are riding bikes.
- On Wednesdays, we will all walk to Trinity for some special forest schools sessions. More 4 Kids staff will be there as well. We will leave school after snack and we will not be back until 5.30pm.
- Parents will collect children from the main gate to help with social distancing. Make sure you have our phone number so you can call us if we are down on the field.

#### Staffing at More 4 Kids

Fatoumata is taking on a new role in school this term, so she will only be in More 4 Kids on Mondays. Other days will be covered by Sian and Ifrah, both of whom are looking forward to getting involved with some serious play! Basra and Deeqa will continue to work at the club as well. The playleader job is being advertised at the moment, if you know any suitably qualified and experienced playworkers please let them know. The job is advertised on the website - see the link below:

<https://www.hannahmore.org.uk/our-community/working-at-hannah-more>

#### What will we be up to this term?

Activities are weather dependent and we also follow children's suggestions where possible, but here is the outline planning for the first few weeks:

Week 2	Clay, obstacle courses	Painting our clay	Forest school session at Trinity garden	Cooking and den-building	Bead jewellery
Week 3	Cooking, chalk patterns chalk	Nature scavenger hunt	Forest school session at Trinity garden	Superhero mask making, storytelling	Dream catchers
Week 4	Slime, Green Man clay faces	Hama beads	Forest school session at Trinity garden	Sand jars, team building games	Sewing

Snacks will be simple but filling - including favourites such as pasta, jacket potatoes, pitta bread pizza and tortilla wraps.

Feedback is always welcome, please speak to staff or email school if that is easier.
