

# Parent Survey March 2019

## Summary 47 responses (down from 56)

**Hannah More  
Primary School**

My child is happy at school	Yes 41 87%, up from 82%	Mostly 6 13%, down from 14%	No 0 Down from 4%
My child makes good progress	Yes 41 87%, up from 68%	Mostly 6 13%, down from 30%	No 0 Down from 2%

### One thing I like about Hannah More:

All ok  
 All good; I like the holiday activities and after-school club.  
 All is ok  
 The playground  
 Activities for parents  
 Teachers are very helpful. After school club and homework club  
 Courses for parents, free clubs, More 4 Kids, Fridays meetings  
 Children get more help if they are having difficulties in one subject  
 Yes it's a good school and good staff  
 The staff are friendly and helpful  
 The community spirit  
 Community; teachers and staff and parents all work together, that's why I like it  
 I like playtime  
 Kindness  
 Nice staff  
 Hannah More is a good school because they do good progress like learning and activity  
 I like everything  
 Community events and classes  
 Friendly approachable staff; family focussed  
 Friendly and helpful staff  
 He likes everything in school  
 XX likes how he's being treated  
 I like how involved the school is within the community and the opportunities the school provide the children with  
 Everything is ok  
 Friendly staff  
 Staff—friendly and approachable  
 The effort put into extra curriculum and after school activities; lovely support staff  
 It's very good for my family, I like it  
 Developed her reading  
 Good progress I like Hannah More  
 Basically everything. Effort they put on students to improve in learning  
 Last time X and I were asked this question after the learning review, X answered "more science", and the next term there was an engineering club and then science club! This might have been a coincidence but it really felt like we'd been listened to, thank you. X really enjoyed both clubs.

## One thing I like about Hannah More continued:

The staff are amazing, and my son has made wonderful friends. There is also so much going on at the school, love how engaged Hannah More is!

Mrs Ramsey is very good she understands Muslims and she very kind

Mrs Ramsey is very good, she understands Muslims. Ruth's programme for parents. Mrs Ramsey knows every child and parent by name.

Mrs Ramsay knows every child and parent by name. Parents welcome in school. Ruth's programme for parents.

Courses for parents

## One thing I would change at Hannah More:

Improve More 4 Kids room

Behaviour maybe

Homework—more needed

Behaviour at lunchtime

It would be great if you could text the parents of the week's superkid so that they'd have a chance to attend assembly if possible.

Not everyone can come every Friday because of work etc.

Like to have more challenging things to do in class

None

Keep a close eye on children's behaviour, and manners. Thanks

I would like more reading with my daughter and check the homework please.

I would like the teacher to check the homework and do more reading with my daughter for Year 1 class; I would be grateful if she would do that.

N/A—happy!

Just behaviour—improve behaviour, especially at lunchtime. Children tell me someone hurt me, someone did this, they don't all work together.

Make everyone happy

All ok

Fix the outside because we would like to play football

Behaviour—e.g. parents need to talk to their children about how to treat others

At home time I would like the children to come out on time. Gate to be open on time.

More meetings / activities outside of school time

I would like teachers and TAs to stay the same all terms, kids are happy with same staff

None

Nothing at the moment part from the Ofsted rating

All ok

Increase funding

Nothing

Too much litter. Lost property—always losing things

Parking availability

N/A

No

My child good progress

I would really like it if the kids had more facilitated physical activity than PE once a week. I know there is a ball games after school club but I feel there's more to being physically healthy than team sports. Can physical activity be incorporated into other curriculum areas? Could there be cycling or skateboarding or dance clubs? Or the daily mile? (running) <https://thedailymile.co.uk>

I do not like that Key stage 1 and 2 children mix together in the playground d at lunchtime. Lots of children in reception and year 1 feel quite intimidated by the older children and I feel they are not monitored enough by lunchtime staff. I would like to keep KSI and 2 completely separate. I would also like for reception to have the option of attending after school clubs if they choose, even if a parent had to be present like the breakfast club.

I don't like sex education. Sometimes I see the children fighting at playtime and no one sees them

Don't like sex education

Change don't like sex education

Longer conversation club
