- They give you a lot of support on how to help your child read and do maths and do a lot of courses for parents. They do a lot of 1 on 1 reading with children o give them extra support. When there's an issue in the class the teachers always sort it out straight away to get the issue sorted as soon as they can.
- Open and welcome
- Is welcoming and you can ask any question you have and it gets answered
- Feedback
- Helps parents to improve their English etc.
- Techers are very friendly and helpful
- I like the activities for parents
- Community
- There isn't many children so its easy for the teachers to supervise them. I like that.
- Warm, very welcoming school. My children like coming here and this makes me happy :-)
- Courses for parents. Resolving conflict between children

- Community. The playground.
- Support. Family friendly
- Everyone is a great role model
- We feel like our home. Hannah More is not only school but it's where we can feel comfortable/happy.
- The grounds, the beach. It's so friendly
- It's a good school for kids.
- Very community based
- The support my child received when he was not attaining the level he should be at
- I am very pleased with the breakfast club. Its free and very helpful to parents who have work very early in the morning. My children love the breakfast and after school club. Class teachers are really friendly and helpful.
- The staff
- Availability and kindness, the reward schemes 'superkid'. The extra activities, the Hub.
- Caring staff
- The good people and all the teachers are nice.
- Everyone is kind and very helpful even with a bilingual child like my son and considering the language barriers with Samuel.

One thing I would change at Hannah More

- We need class for music and drama for kids
- More communication in advance
- Nothing, we're happy as long as Samuel is happy
- Nothing
- Learning a different language
- Better notice period for things
- Change less the teachers
- All ok
- Behaviour but it is on the right path for now
- To give chance to other people for school clubs
- Teachers change too much
- The process of dealing with bullying, the way it's dealt with at the time and after
- Behaviour needs more work
- Give working parents more option to be a part of their child's education or activities in school—a lot of morning activities and no afternoon activities
- To be a bit more inclusive for working parents. Better or more prompt comms.
- Behaviour
- More science
- We like to see improve the student behaviour
- The playground and the playpod should have more exiting things
- Nothing
- My behaviour
- One-way walking system for the mornings for parents
- Nothing
- My reading
- Quality of learning should be the same in all classes
- The information about things going on in school (especially changes) is not always given very clearly
- Not sure at the moment
- Behaviour
- Kids behaviour—I see boys in the morning fighting. My daughter doesn't have this problem
- Change less teachers
- Add more parents evenings
- I personally think the classes are crowded
- Be more helpful
- The dinner staff should encourage children to eat more at lunchtime as Osman sometimes comes home with al his packed lunch left.
- Bullying. I feel like it is tackled probably.
- Reward good children. More to make them feel good about themselves.
- More opportunities for working parents to be apart of in school activities and in school views
- Nothing; its fine the way it is
- Behaviour and individual targets
- Strictly in behaviour
- Homework, more homework will be good.

One thing I would change at Hannah More continue ...

- Mostly happy :-)
- Nothing in my mind
- Parking!!
- Better behaviour
- Behaviour in class. Year 5 not good behaviour. Lunchtime is ok. Lots of boys—maybe mix the classes. Teachers need more help.
- Behaviour in Year 1 also from some older children, they push and use bad language.
- Act seriously about bullying issues
- Behaviour—boys. The children found it so hard to settle. The other boys fight.
- Different vegetarian meals (more choice). Things I asked to be followed up. Being informed about tests (maths spelling).
- Little bit more work on bullying
