

# Hannah More Primary School Newsletter

## 10 July 2020

Hello everyone

Welcome to this week's news! Today was the last day for the Year 6 children. They have been fabulous since they came back in June and we wish them all the best for their years ahead in secondary school. Everything about their transition has been different and tricky but they have been very resilient and I have huge admiration for the way they have handled themselves.

Children's reports have been sent out this week. If you wish to discuss your child's report with the teacher please email or phone the school to make an appointment. Last week we included information about classes for September. This week for those children who will have a new teacher, we have included some photos and messages. Please have a look with your child!

We will send out detailed information about arrangements for September over the summer. At the moment, in line with other schools and government guidelines, we plan to be open for all children, including Breakfast Club and More 4 Kids. We still won't be able to let parents inside the building until the advice changes, but there will be lots of staff around to meet and greet children and make sure they feel welcomed and safe. Of course, if the situation changes, we will let you know.

We hope you will come along to some family playdays over the summer. This will be a lovely opportunity - especially for children who have not been to school at all over lockdown. Further information is in the newsletter.

Next Wednesday is our last week of food boxes. Vouchers continue over the summer - if you are not receiving vouchers but need support over the summer please email us for advice and support: [hannahmorep@bristol-schools.uk](mailto:hannahmorep@bristol-schools.uk)

Best wishes and stay safe, Sue Ramsay, Headteacher.
