## English

Cast your mind back to Monday 4<sup>th</sup> May (Week 5). You made notes about the event of the animals running around the playground by answering some questions about the event.

Today we'd like you to write the newspaper report.

1. Think of a headline – it needs to be catchy. For example: *Primary School Jungle Rumble* or *Playground Predators on the Prowl*
2. Using a ruler, split the page in half with a line so that you can write in 2 columns. Here is an example of a template you could create.

3. Don't forget to use passive and active voice, and direct and reported speech. Take care with spelling and punctuation!
