Wednesday 3rd June — Maths

1. This graph shows the children's favourite fruits in Year 3.

- a) Which fruit is the most popular?
- b) Which fruit is the least popular?
- c) How many children like either grapes or oranges?
- 2. This graph shows the children's favourite colours in Year 3.

- a) Which colours have an equal amount of liking?
- b) What is the difference between the most popular and least popular colours?
- c) How many children were asked the question 'What is your favourite colour?'
- 3. This graph shows how many of each type of animal there are at a zoo.

- a) How many more snakes are found at the zoo than monkeys?
- b) What is the difference between the number of giraffes and penguins?
- c) How many animals are there in the zoo altogether?

In your book, have a go at using this information to draw a bar chart. Look at the ones on this page to help you. Don't forget to write a title for it!

	Lolly pops	Skittles	Fruit pastels	Starburst	Haribo
Number of children who prefer	8	6	2	4	7
