

# Monday – Answers – Week 2

The words below are coming up in the next chapter of the book.

Part 1- Match each word to its definition

- |               |                                     |
|---------------|-------------------------------------|
| 1) remarkable | a) to form a mental image           |
| 2) returned   | b) worthy of attention              |
| 3) ancestors  | c) came back                        |
| 4) glance     | d) a brief / quick look             |
| 5) imagine    | e) an older person from your family |

Part 2- Use each word in a sentence

1. That night, the stars in the sky were **remarkable**; they were the brightest he had even seen.
2. Their cat, who they thought was dead, **returned** to them.
3. I spent time looking for my **ancestors** on my family tree.
4. I didn't need to stare, just a **glance** at his face was enough to tell me something was seriously wrong.
5. As I sat there, I began to **imagine** – what would life be like without her?
